

## Children's Advocacy Centers of Georgia

*Our Vision: When abuse is reported, every child in Georgia will have access to the services provided by a Children's Advocacy Center.*

Greetings from the Children's Advocacy Centers of Georgia!

On behalf of CACGA and its 50 member centers, I want to offer you my heartfelt appreciation for your consideration in sponsoring our 12<sup>th</sup> Annual "One Team" Conference: *The Multidisciplinary Team Response to Child Abuse and Neglect*. We are so fortunate and humbled to have one of the very best conferences in the United States, designed to provide the most important, leading and latest information for the incredible professionals who respond to allegations of child sexual abuse, physical abuse, neglect and exploitation.

Your incredible support for our conference allows us to invite local, regional, national and international speakers to provide the very best information and training for our attending prosecutors, detectives, forensic interviewers of children, doctors, nurses, mental health clinicians, family advocates, judges, and faith leaders, as well as community members who seek to do their part in eradicating the plague of child abuse. We are all a "community" across Georgia, and One Team, seeking to find the best ways to *respond* to child abuse as well as *ending* child abuse.

Thank you for your consideration in being a \$10,000.00 sponsor, a \$5,000.00 sponsor, a \$2,500.00 sponsor, a \$1,000.00 sponsor, or a \$500.00 sponsor. We promise, as always, to be the very best stewards of your contribution dollars.

Please contact our own Janine Ramsay at [admin@cacga.org](mailto:admin@cacga.org) with your sponsorship pledge. She will tell you all of the many benefits that you will receive with your 2018 "One Team" conference sponsorship.

Also, please feel free to visit us online at [www.cacga.org](http://www.cacga.org) and check out our *new book* for children and families who are served by our centers. This is the first and only such book of its kind in the nation! *Words of Hope and Healing: Encouragement and Empowerment for Survivors of Child Abuse* can be found on our website and is also available on Amazon.

For the children,
