The 12th Annual CACGA "One Team" Conference: The MDT Response to Child Abuse & Neglect

Exhibitor Application

Dear Prospective "One Team" Exhibitor:

I am writing to cordially invite you to be an Exhibitor at our **12th Annual CACGA "One Team" Conference: The MDT Response to Child Abuse & Neglect**.

This is Georgia's most comprehensive training conference for the multidisciplinary team members who partner and respond to allegations of child maltreatment. We expect 300 prosecutors, law enforcement professionals, medical and mental health providers, child protection caseworkers, legislators, judges, and interested community members to attend this year's conference from 7:30 a.m. to 4:30 p.m. October 15, 2018 and 7:30 am- noon October 16, 2018 at The Classic Center, 300 N. Thomas Street, Athens, Georgia, 30601.

We are CACGA!

The Children's Advocacy Centers of Georgia is the statewide membership organization representing 50 Children's Advocacy Centers all across Georgia. We were founded in 1989, and last year our amazing CACs provided more than 20,000 critical services for children who alleged sexual and severe physical abuse. Every year at our conference, we attract national experts, including those who practice in Georgia, to present the latest information to our attendees. This year we have speakers from Georgia, Illinois, North Carolina, Texas and Virginia. Additionally, we are excited to announce that our Keynote Speaker will be Amy Cunningham. Amy inspires individuals to live a life of compassion, empathy, passion, and purpose. She has spent the last 19 years working with nonprofits and mental health organizations, which began with a focus on assisting adolescents to overcome trauma and redefine their lives. After recognizing the negative effects that caring can cause, she became a certified Compassion Fatigue Educator through Green Cross Traumatology, and has traveled throughout the nation advocating a balance between work, life, and taking care of oneself. In 2011, Amy developed the Compassion Fatigue Training Program for the Center for Health Care Services – a division of Bexar County, Texas' community mental health.

Your participation as an Exhibitor at our conference will allow your organization to network with 300 professionals and community members from across the state and the Southeast. The Exhibitor participation fee is **\$150**. With your support for this premier conference, your organization's name will be included in the program and special recognition will be made during the conference.

Thank you very much for your consideration in participating at our conference as an Exhibitor. Please mail the attached application with your check to the Children's Advocacy Centers of Georgia office by **October 1, 2018**. For questions or more information, please contact me at (770) 319-6888, and **thank you!**

Sincerely,

Andrew H. Agatston
