You, your friends, your family, your faith organization, your clubs and civic organizations, and your employers can help children of Georgia who right now are in profound need. With your gift to CAC Georgia, you're telling us: "I'm in for Fifty!" (or whatever gift you can provide) for children who have suffered abuse and maltreatment. Your gift to CAC Georgia will support the services CAC Georgia provides to our 46 local children's advocacy centers throughout this great state. Your gift will help ensure that our children who are abused in Georgia will have the opportunity to access the CAC in their communities, so that they can benefit from the amazing, caring, healing, and compassionate services that our CACs provide.
